

**1 NO
POVERTY**

End poverty in all its forms everywhere

Libraries provide opportunities for people to improve their own lives and support informed decision-making. Mobile libraries make books, services, and internet access available in rural and remote communities, providing opportunities to people that would otherwise be isolated.

**2 ZERO
HUNGER**

End hunger, achieve food security and improved nutrition and promote sustainable agriculture

Agricultural libraries provide access to research and data on crops, market information, and farming methods that help develop resilient, sustainable produce. Public and community libraries also promote literacy, provide ICT training, access to information in local languages, and act as a gateway to government services and funding for rural communities.

**3 GOOD HEALTH
AND WELL-BEING**

Ensure healthy lives and promote well-being for all at all ages

Libraries provide access to medical research that supports improved clinical and public health outcomes. Public access to health information in all libraries help people to make better lifestyle choices and to stay healthy. Libraries acting as hubs for health information, education and community well - being initiatives.

**4 QUALITY
EDUCATION**

Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all

All libraries support literacy programmes, provide a safe space for learning & support researchers to access, apply and reuse research and data to create new knowledge. Libraries also act as facilitators in their communities, setting up local learning centres and networking to support learning.
